

**2019 TOCA Guest Championship Vehicle Information Sheet**

Please complete in BLOCK CAPITALS

Championship: .....

Team / Entrant Name: *Number* .....

**Paddock Race Transporter Details:** (All measurements in metric please)

Registration Number		Length of Vehicle:		Width of Vehicle:	
Length of Awning:		Length of Vehicle:		Width of Vehicle:	
Awning on which side of vehicle when viewed from rear		Length of Awning:		Width of Awning:	
(please circle)		LEFT / RIGHT		Type of Vehicle (please circle)	
Artic Transporter / Rigid Transporter / Van & Trailer / Van / Motorhome					

**Motorhome / Caravan Details:**

Any motorhome / caravan requiring access to the Motorhome Area must be listed on this form - one per registered Entrant / Driver only. No awnings are permitted in the Motorhome Area. NB: If power is required in the motorhome area, this must be ordered in advance from the TOCA official generator supplier SJC Services (details available via MSO). Apart from small generators that can be situated within transporters or motorhomes, only SJC Services-supplied generators will be permitted in the paddocks.

Registration Number:	
Length of vehicle:	
Width of vehicle:	

Please ensure your measurements are accurate - your paddock space will be measured out prior to your arrival at the circuit.

Please scan and e-mail the completed form to Derek and James Weller at MSO:
