MINI SEVEN RACING CLUB

BULLETIN #2_2014

RE: CHALLENGE STICKERS/DECALS

To all Club Members and Associates,

Following recent pre-season sponsorship negotiations, the Committee of the Mini Seven Racing Club (M7RC) wishes to highlight the following sticker requirement/s for the Dunlop Mini Challenges supported by Mini Sport, as outlined in section 'TR.5.17 NUMBERS & CHAMPIONSHIP IDENTIFICATION'.

Specifically, under TR.5.17.4.6, where it states two PIPER (Cams) decals to be carried on each end of the front bumper, as an alternative it is permissible to carry one forward-facing PIPER (Cams) decal, clearly visible from head-on, either on the front bumper, bonnet or grille.

Please note all other sponsor decal requirements as listed in the 2014 Regulations – failure to display (and/or make reasonable efforts to obtain) required stickers for display on the cars may be subject to penalties, such as non-issue of a scrutineering pass, ineligibility to score points in the Challenges, etc.

However, sponsorship details and requirements may be subject to alteration during the season, and the Committee of the M7RC shall make reasonable efforts to notify competitors of any alterations and/or deletions to the currently required decals.
